

Subject: Wish to Live a Longer and Healthier Life?

Hi,

Do you remember the last time you physically felt great?

Maybe it was in your 20s, maybe even in your 30s...

Wouldn't it be great to feel that way again?

With our help you definitely can! At **[confidential]**, we want you to have a longer, healthier life so that you can feel great all over again. Whether you want more energy, want to look thinner or even get rid of some of those dreaded signs of aging. We can help.

Let's put first things first though. We need to know more about you, your health goals, your health concerns, and what is going on inside you before we can help.

There are two ways we can start, you can come to our clinic and get a comprehensive review of your health. **Call us at 321-327-2980** to make an appointment. Or, you can use our absolutely FREE Health Advisor on our web site to determine what may be going on with your health and what you can do about it. Follow the instructions below.

All you have to do is [fill this questionnaire](#) to find out what supplements and health goals will give you the fitness you crave.

We are your one stop shop for all that you need to keep yourself healthy, feel younger, and look better. Now you can have a single source for quality health advice, testing, and customized health solutions to give you the proper, nutritional supplements you need to live a longer and healthier life.

Feel free to visit our website and contact us if you have any questions. We are looking forward to **making your life healthier!**

Regards,

[confidential]
