

"Be Cool" EAU DE TOILETTE 60ml

Title – Be Cool Eau De Toilette for Men with Myrrh and Tropical Tree – 2.0 oz, 60 ml

Meta – Need a classy and cool fragrance that reflects your calm nature and powerful personality? This can be your signature scent.

Description

If you are tired of the warm and woody masculine scents, it is time to try something uniquely remarkable. Be Cool Eau De Toilette — a fragrance that showcases your classy charm and innate elegance and amplifies the impact of your impressive and magnetic personality. Made from the finest natural ingredients, the fragrance has a note of wood but beautifully blended with a combination of floral musk and with notes of myrrh, frankincense, violet, tropical tree.

This is a fragrance that can suit your intense, deep, and determined personality. Highly preferred by men of status and standing, it is a scent that will let everyone know who the boss is. Not to mention Bulgarian Rose Karlovo is a brand that always used the finest quality ingredients in their natural and organic form. The premium quality of essential oils used in this product has a deep impact on mind and spirit. The scents combine to relax the nerves and mind helping you to keep your calm and composure even in the most demanding situations.

This is a choice of a leader and of men who are used to winning, whether it is about professional goals or about winning the heart of their desired damsel. And if you think you are all that, this is your signature scent!
